Physical Education Opt Out

Required for any annual electives requests

F.S. 1003.455 requires that all middle school students, 6th-8th grade, complete one semester of Physical Education per year, in effort to reduce childhood obesity. The statute permits parents to opt out of this requirement if any of the following conditions are met.

Please check all boxes that apply and sign below.

- Child is enrolled or required to enroll in a remedial course.
 Parent requests that the student enrolls in an alternative elective.
 Student is participating in physical activities outside of the school day which are equal to or in excess of the mandated requirement.
 Child is prohibited for medical reasons.
