Guide to Proactive Discipline Plan Central, East, & West

Student behaviors that are inappropriate are to be dealt with in the classroom. When interventions and parent contact have been documented, a referral to Administration will be issued. Repeated rule violations will result in the student being sent to Administration and the SBBC Discipline Matrix will be put into place.

Please note disciplinary action may include the removal from some field trips without reimbursement.

School staff, parents, and students are all responsible for creating a culture of positive behavior.

** A violation of the Weapons Policy (School Board Policy 2304.1) or altercation which results in injury, will result in more serious consequences, up to and including expulsion (per Policy 5006) as explained in the School Board of Broward County Code of Student Conduct.*

**All referrals must include parent notification.*

***Consequences per the SBBC Discipline Matrix administered for behavior incidents are cumulative in nature and will follow a student from K-2 and then again from 3-5 (<https://www.browardschools.com/codeofconduct>).**

**Exceptional Student Education (ESE) students, Alternative Education students, and students with a 504 Plan will be held responsible for their actions. Their consequences will be the same as a mainstream student unless indicated by an Individual Educational Plan (IEP).*

**Students who are assigned external suspension and who attend alternative-to-suspension programs are allowed to make up work. Students who elect not to participate in alternative-to-suspension programs will be marked unexcused; however, they will be allowed to make up work, which will be due on the date of return from suspension.*
